FACT SHEET

The Arizona Minority Business Enterprise Center (AMBEC) is a federal program funded by the Minority Business Development Agency and U.S. Department of Commerce. The center is locally operated by the Arizona Hispanic Chamber of Commerce whose mission is to foster the establishment, growth, expansion and competitiveness of minority business enterprises (MBEs) by assuring access to credit, capital, markets, consultation, collateral and other resources.

The 16th annual MED Week Awards Breakfast will feature and recognize successful MBEs. Our business awards are distinct in our affiliation with the U.S. Department of Commerce which affords all winners the opportunity to be considered for regional and national awards.

Now more than ever, we understand the need for strong alliances within this challenging economy. For this reason, we are proud to partner our event with the Grand Canyon Minority Supplier Development Council's (GCMSDC) Business Showcase and Trade Expo. By aligning with this very special event, we are strengthening the minority business sector and joining three distinct audiences in the opportunity to network on new ventures. This event is not only relevant to minority business, but also to the corporations who wish to do business with them.

Location: Arizona Biltmore Conference Center
Date: August 18, 2009
Breakfast and Awards: 8:00 a.m. (ticket or table purchase required)
